

# Calypso/Latino Charity Ball

Our grateful thanks to you for purchasing a ticket.

We hope you can continue to help us achieve greater support for people with learning disabilities and their parents.

Government cuts are forcing Councils to reduce spending on many existing provisions. While we do not see it as our role to replace Council services we have to be able to step up to fill some of the gaps these cuts will create. In order to do this we must be in a strong position both financially and with expertise. Here are some ways you or your company might help:

## PAYROLL GIVING

As the name suggests, your donation is taken from your salary tax free and by participating in this way you might even encourage other employees to join you.

Several organisations run these schemes. We bank with CAF Bank which is one of them. Please see their website

<https://www.cafonline.org/giving-as-a-company/engaging-employees/caf-give-as-you-earn> or look on the HMRC website which will give you details of other organisations.

## BECOME A FRIEND

When you become a Friend either as an individual or corporate, we will put you on a secure database and send you four Newsletters a year to keep you in touch with what NF Mencap is doing and, dependant on your wishes we can include you on our periodic News Briefings and let you know of any activities that might be of interest. You can also choose to become a member of New Forest Mencap with voting rights.
